

It Saves Time. It's Convenient. It's Easy. And It's Free.

Rock County Electric's Automatic Bill Payment lets you pay your bills automatically without writing a check. You won't have to worry about missing a payment, and you'll save time as well as checks and postage. There's no charge for the service, which is available to all Rock County Electric members including those who are signed up for Budget Billing.

Beginning the following month, your payment will be deducted automatically from your checking or savings account on the due date shown on your bill. You will receive a statement each month showing your electric usage, and the deduction will appear on your bank statement.

Please complete and return this form with this month's payment.
